

CERTIFICATION FOR
PROPERTY AND COMMERCIALIZATION RIGHTS AGREEMENT
SMALL BUSINESS TECHNOLOGY TRANSFER
(STTR)

The Small Business Administration Policy Directive establishes policy for the conduct of the Small Business Technology Transfer (STTR) program. The Directive requires that an agreement exist between the small business concern and the participating research institution concerning the allocation of property and commercialization rights. The Federal government will not be a party to this agreement.

Please complete the certification below. The DOE contract/grants management specialist will request a signed copy during the award negotiation. An award cannot be made without evidence of the signed Property and Commercialization Rights Agreement.

Property and Commercialization Rights Agreement
Certification

STTR Award Application Number:

DOE Award Number:

Project Title:

The signatures below certify that an agreement exists between the small business and the research institution that allocates intellectual property rights and rights, if any, to carry out follow-on research, development, or commercialization resulting from the above-mentioned project.
